

## PRESENTMENT GRAND JURY MADE YESTERDAY

**BENCH WARRANT WILL BE ISSUED FOR STEVE LESLIE**

### RIGHTS OF WAY TO PUBLIC ROADS

**Urges That Citizens Grant Permission For Lands to Be Used in Making Better Grades Public Highway.**

The presentment for the grand jury for this term of court was presented yesterday afternoon at 3:30 o'clock, and is of general interest. When first read, the name of the young lady on which the convict, Steve Leslie attempted a criminal assault, was omitted. The grand jury was asked to insert her name, so that a bench warrant could be issued for him.

The general presentment reads as follows:

TO HON. GEO. E. PRINCE, PRESIDING JUDGE OF THE TENTH JUDICIAL CIRCUIT, ANDERSON, S. C.

The Grand Jury respectfully submits the following general presentment.

We have passed on all Bills of Indictment handed to us at this Term of Court.

The committees which were appointed at the last Term, not having completed the work assigned to them will not make any report at this time but hope to be able to make a full report on all matters in their charge at a subsequent Term.

In a previous presentment the Grand Jury recommended that a toll for judges be established in the Court House. We regret that as yet no steps have been taken towards providing this important need. We hope immediate steps will be taken by the proper authorities to have one installed.

We have been informed that the material for making necessary additions to the County Jail, has been purchased. We recommend the completion of this work as early as practical.

It has come to our attention, that in some cases, the County Supervisor incurs extreme difficulty in obtaining Rights of Way for the purpose of changing the grade of the roads. As well-graded roads are of so much benefit to the public generally and especially to the communities through which they run, we express the hope that in all cases where a change is needed in the road for giving a good grade, that the adjacent land owners will cooperate with the Supervisor and Commissioners in securing the same in an amicable way, as a resort to condemnations proceedings are expensive and would cause considerable delay.

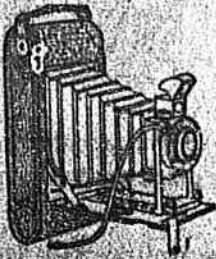

We hereby present one Cleve Leslie, an escaped convict for the crime of attempting to commit a criminal assault upon a white girl of Anderson County, said crime having been committed in Anderson County on the 2nd day of May, 1916, and recommend that all proper means be taken for his apprehension and trial.

We desire to express our appreciation.

Leading Stationers and Printers

ation to His Honor, the Presiding Judge for his very able charge to the Grand Jury delivered at this Term, and we hope to be able at a later Term of this Court to make a report on some of the matters suggested therein, especially relating to the Trustees of various schools in the County, visiting their respective schools to see how the work is being done.

We desire further to express our thanks to Your Honor as well as all of the Officers of the Court for the Courtesy shown us at this Term.

May 11, 1916.

Respectfully Submitted,  
Wade A. Watson, Foreman

### LIGHTING SYSTEM AT IVA COMPLETED

**JUST A LITTLE MORE WORK TO BE DONE IN NEXT FEW DAYS**

### CURRENT ON 19TH

**Iva Authorities Were Yesterday Advised of Date That Town Would Be Lighted Up.**

Mr. Harry A. Orr, manager of the local branch of the Southern Public Utilities company, yesterday notified the authorities of the town of Iva that unless the present plans failed, the current would be turned on the lighting system recently installed in that town on May 19, one week from today. The work has been almost completed and it is thought everything will have been finished by next Friday.

When the current is turned on approximately 150 homes and business houses in Iva will be lighted with electricity and the streets will be illuminated by 35 modern street lamps, thus putting the little town on the C. & W. C. in a class with those of much larger population.

The movement for the lighting system at Iva began to take definite form during the latter part of February and soon afterwards the franchise was signed by the Southern Public Utilities company. The power is to be obtained from the Gregg Shoal power line, the wires being tapped at Moffettsville, three miles from Iva. Beginning at Moffettsville, practically every home and many barns between there and Iva, and almost all the homes in Iva, will be lighted with electricity.

The work of installing the system was begun during March, and has been carried on very rapidly. The entire system is just as up-to-date and modern as it has been installed in a city of a population of thousands, and the people of Iva will enjoy the same rate as the people in Anderson.

The people of Iva are very proud of the new lighting system and are anxiously awaiting the turning on of the "juice." When the matter was first started, the Southern Public Utilities company stated that a certain number of homes would have to use the electricity in order to get the system and far more than this number signed up.

### DEATH MRS. SARA MARTIN

Occured At Home Yesterday Afternoon at 3:30 o'clock.

Mrs. Sara Martin, widow of the late Joseph Martin, died at her home on Broyles street, yesterday afternoon at 3:30 after an illness of a few days of pneumonia. Funeral services will be held at the home this afternoon and interment will be made in Silver Brook cemetery.

Mrs. Martin was a native of Anderson and had spent most of her life in this city. She was a member of the First Baptist church and was 77 years old. She is survived by the following children: Mrs. A. S. Masters of the Mountain Creek section, Mrs. J. B. Catlett of Anderson, Mrs. D. B. Briggs of Westminster, Mrs. Elizabeth Archer of this city, Mrs. Joe Martin of Belton and Messrs. L. L. Martin, Guy Martin and Claude Martin of Anderson.

**For Military Academy.**  
Columbia, S. C., May 11.—The war department has recommended Governor Manning to recommend three members of the South Carolina National Guard as candidates for admission to West Point. A recent act of congress permits members of the National Guard to enter the national military academy.

**BOMBS AT FORT SAID**  
Berlin, May 11.—(Wireless.) Turkish official communication dated May 10, says two Turkish aeroplanes dropped bombs April 25 on the dry dock and oil tanks at Fort Said.

## FEDERATION COMES TO CLOSE TONIGHT

**WITH RECEPTION BY CHAMBER OF COMMERCE AT MRS. FANT'S**

### ELECT PRESIDENT

**And Other Officers This Morning at 10:30—Directors Meet This Afternoon.**

Judging from the statements of some of the most prominent visitors, one of the most successful conventions of the South Carolina Federation of Women's clubs will come to a close this evening when the chamber of commerce gives a reception at the home of Mr. Rufus Fant on East River street. The Federation has been in session ever since Tuesday night, and the attendance has been especially good.

One of the most important features of the session today will be the election of officers, this being scheduled for 10:30 o'clock a. m. The most coveted position is of course that of state president, and from all indications the election in this instance will be a lively one. The many friends of the two prominent members of the Federation, and one of these is an Anderson lady, will work for the election of their favorite, and the contest will doubtless be a close one.

Another important feature of the session today will be the board of directors meeting which is to be held this afternoon at 2:30.

### Session Yesterday Morning.

The education of women in South Carolina was the subject to be given most attention yesterday morning. Several short talks were made by various members on the better education of women and how to secure opportunities which are now available. A petition was adopted which will be presented to the board of trustees of the Medical college of South Carolina asking that women students be admitted. Another petition was also endorsed asking for a separate building for women at South Carolina University. This has been made a co-educational school, but at present there is no dormitory for the women.

Hereafter the paper winning the prize will not be read at the Fine Arts session, a recommendation made by the chairman of literature having been adopted. The recommendation of Mrs. Thomas Darter, chairman of music, to the effect that music be made a study in public schools was adopted.

Owing to the illness of Miss Rosa Cooley, acting secretary, Mrs. Allen Graham took her place. Several matters scheduled for the morning session were postponed until the afternoon.

### Afternoon Session

The first business yesterday afternoon when the Federation was called to order at 2:30 was the report of various clubs which had not been heard in the morning.

The next business was that of hearing the report of Mrs. J. T. Harris of Spartanburg, chairman of the department of art and handicraft. This report was a very favorable one and was adopted.

The next report was that of the reformatory committee, which was made by the chairman, Mrs. A. P. McKissick, of Greenwood. This report was a very interesting one, calling attention to certain reforms needed, and work which had been done during the past year.

The next report was by the chairman of the committee on constitutional revision, of which Mrs. R. H. Jennings of Orangeburg is chairman. All of the above, scheduled for the morning session, having been finished, the real program for the afternoon session was then taken up.

The reports of 38 clubs which were to have been made were postponed. The following part of the afternoon program was carried out in detail.

**Report of Department of public health.** Dr. Rosa H. Gantt, Spartanburg.

**Child Welfare in South Carolina.** Miss Mary E. Frayser, Winthrop College.

**The model school bag.** Mrs. T. M. Mordica, Charleston.

**Report of Department of Social and Industrial Conditions.** Chairman, Mrs. John Gary Evans, Spartanburg.

### Banquet Last Evening.

The banquet last evening at Anderson college by the Civic association for the delegates to the convention was a very successful event, and a very delightful one.

## FRECKLES

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of ointment and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength ointment. It is this that is sold on the money-back guarantee.

## IT IS HIGHLY IMPORTANT

**EMERY**  
Insist on "Emery"  
guaranteed Shirts,  
the shirt that fits.

When trying to describe the splendid line of Summer Clothing awaiting you here, it is highly important that you understand to what a large degree our success is dependent upon the appearance of the goods themselves. Clothes—especially Summer Clothes—differ widely in appearance, and comfort, though made of similar materials. For that reason we have devoted a great deal of time to the selection of our lines of summer wearables for men.

And we might tell you many reasons why our Clothing at

**\$15, \$20 and \$25**

is superior to others, but we'd rather have you come in and see for yourself. That's the real proof.

Come here and get what YOU want, not what someone else wants you to have. You'll find to your liking, not only clothing built for the "good old summertime," but Shirts, Underwear, Hosiery, etc., to make you comfortable.
